

IMPACT'S LED ROPE LIGHTING

IMPACT LIGHTING INC.'S LED ROPE LIGHTING - IP67

Commercial grade LED rope lights are a very flexible form of lighting, not only in their physical structure but also in their wide variety of lighting applications. All that limits the use of these unique rope lights is the imagination. Some of the more common uses for LED rope lights include:

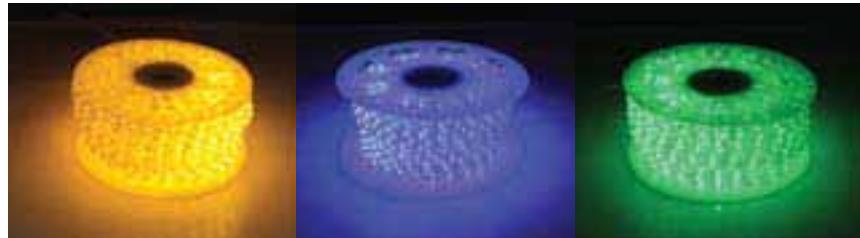

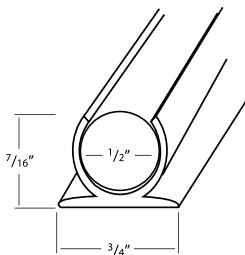

- Architectural accent lighting
- Cove lighting (such as in a living room or home theater)

90

- Deck and railing lighting
- Building exterior perimeter lighting
- Holiday lighting and decoration
- Under counter accent lighting (great for bars and restaurants)
- Trade show lighting
- And much more...

Our energy-efficient LED rope light spools are truly versatile products with nearly limitless uses in both residential and commercial lighting applications. This cool LED rope light has a color temperature of 5,000 - 5,500K.
