

GALAXY ROCKS

GALAXY ROCKS™

Make a statement with Impact Lighting Inc's Galaxy Rocks™. Our Galaxy Rocks™ can provide a striking lit groundcover. Galaxy Rocks™ can provide the permanence you seek. The rainbow of colors available in the Galaxy Rock™ along with our LED products is unprecedented in multi applications. Dry river beds, fountain accents, flagstone fillers, paver aggregates, rock gardens, bar countertops, fire place, center pieces and floor art.

*Please send in detailed drawings and the application, so we can help evaluate the project.
You may also book an appointment with one of our inhouse designer for design ideas and concepts using the Galaxy Rocks.*
